PERSONALITY ASSESSMENT WITH THE MMPI/MMPI-2/MMPI-A IN CRIMINAL/PRISON SETTINGS

1/19/2018

James N. Butcher

This reference file covers includes articles/books dealing with a number of topics related to crime, delinquency, and imprisonment. Pre-trial assessments; classification of felons; assessment of various criminal populations such as murderers, sex offenders, delinquents; evaluation of prison variables including prison adjustment, rehabilitation, and parole.
